Tomales Bay State Park

Spring is a busy time of year at Tomales Bay! Wildflowers are budding, ospreys are starting to nest, and the bat rays have returned to their seasonal home in the bay's shallow waters. We'll keep our eyes and ears opened for birds, flowers, fishes and other interesting characters. Our exploration begins at the Heart's Desire Beach tidepools during low tide before we walk ½ mile to Indian Beach to check out a freshwater habitat. Binoculars and magnifying glasses will be provided. Bring a lunch for a picnic on the beach.

Meet at Heart's Desire Beach at 11 am. Bring snacks, water and lunch if you plan to stay for a picnic. Please also bring binoculars if you have them. \$8 per car for parking - event is free.
